

Complaints

Move & Grow Physiotherapy seeks to resolve any dissatisfaction or complaint as quickly as possible whilst ensuring that the complaint is taken seriously and handled appropriately. How we respond to the receipt of a complaint is just as important as whether it is resolved. We aim to address each complaint in accordance with our values and privacy policy and in an equitable, objective and unbiased manner.

Complaints can be made in person, by email (to info@moveandgrowphysio.com.au) or by submitting the following form. We accept anonymous complaints and will carry out an investigation where there is enough information provided.

Upon receipt of a complaint, we will inform the complainant as soon as possible of the following:

- the complaints process;
- expected timeframes for our actions;
- progress of the complaint and reasons for any delay;
- their likely involvement in the process; and
- the possible or likely outcome of their complaint.

We will ensure that the person handling a complaint is different from any person whose conduct or service is being complained about. Where a complaint is made about management, we encourage complainants to feel comfortable in raising it with management who will engage external resources to manage the complaint in accordance with our complaints management process. If, however, a worker or complainant does not feel comfortable in doing so, contact the Australian Physiotherapy Association for further advice (of whom Move & Grow Physiotherapy is a member) or, where a complaint is from or on behalf of a participant of the NDIS, contact the NDIS Commission.

Should be we unable to deal with any part of the complaint, we will advise the complainant as soon as possible and provide advice about where such issues and/or complaints may be directed (if known and appropriate).
